Irish Legal News is the only daily news service for lawyers in both the Republic of Ireland and Northern Ireland.

Since its launch in 2015 Irish Legal News has grown quickly to gain a readership of 15,000 which continues to grow daily as lawyers in both jurisdictions sign up for our free daily newsletter.

Our mix of news, events, blogs, opinions and case law is now part of the daily routine for thousands of criminal and civil and commercial lawyers as well as in-house solicitors in the private and public sectors.

Irish Legal News is fast, free and focused and delivered directly to the lawyers, senior solicitors, partners, barristers, judges and lecturers who make up our fast-growing readership.

Our Facebook and Twitter pages provide an extra dimension giving followers and readers live updates of latest news, jobs and events as they occur.

“Dedicated to legal developments, legal news and legal precedent, Irish Legal News is essential reading for all lawyers, legal academics and law students. It is the most convenient method of keeping up to date with what is happening in your own legal community as well as in Ireland, Scotland and England. It is now part of my daily news feed. Well done Irish Legal News.”
