

Irish Legal News 2025 Media Pack

Irish Legal News is the leading daily online news service for legal professionals across the island of Ireland.

This year celebrating a decade since launch, ILN is the **trusted source of information** for thousands of solicitors, barristers, judges, academics, students and in-house counsel, covering all areas of civil and criminal law.

Our free email newsletter is sent every weekday lunchtime to **12,400 subscribers** across both jurisdictions and boasts an industry-leading **42 per cent open rate**.

Meanwhile, our **high-SEO website** attracts up to 100,000 unique visitors per month, driven by highly valuable organic search traffic we can leverage for your brand.

The ILN page is one of the most followed Irish legal pages on LinkedIn, **rapidly approaching 30,000 followers** — while our Instagram account, with **over 1,700 followers**, is the ideal place to reach the next generation of legal professionals.

Irish Legal News is established as the **advertising partner of choice** for small, medium, and large law firms, universities, colleges, regulatory bodies, and government agencies, north and south of the border.

Whether promoting services, job vacancies,

conferences, CPD events or university courses, our platform offers **unparalleled access** to Ireland's legal community.

Get in touch today to help us find the advertising solution best suited for you.
